

COMMUNITY TECHNOLOGY **network news**

Transforming lives through digital literacy.

March 2017

Digital Leaders Awards: May 10, 2017 - Nominations Close on March 21!

The second annual Digital Leaders Awards on May 10th at Twitter HQ in San Francisco will celebrate the people and organizations that work hard every day to promote digital inclusion. [Tickets are on sale now](#), and it's certainly not too late to [sponsor the event](#)!

There are 4 award categories, which are described on [the nomination form](#). If you know a person, organization, funder, or company doing exemplary

work to close the digital divide in San Francisco, nominate them for an award today!

Career & Community: Youth Find a Future in Tech with CTN

18 young people, 30 weeks, 64 hours of professional development

training, 953 hours of service to 1409 community members ... Our most recent Ready, Set, Connect! (RSC) program was a huge success. Read about the young adults behind the statistics on [our blog](#) or [download the full project report](#).

SF Tech Council: A Vision for a Connected City

CTN is a proud member of the SF Tech Council, a collective of organizations

dedicated to ensuring that older adults and people with a disability are digitally included. [Find out more about the Council's important mission and how you can get involved](#) in its work.

Digital Inclusion Week: May 8 – 13

Mark your calendars and don't miss [Digital Inclusion Week](#), an initiative of the San Francisco

Public Library. Special events include movie screenings, digital device giveaways, and expert speakers. Join CTN for the panel discussion entitled "Digital Equity in San Francisco Now" and, of course, the [Digital Leaders Awards!](#)

IFAN: Yes We Can!

Internet for All Now is a campaign from the California Emerging Technology Fund to raise \$500 million from the state

legislature for digital inclusion initiatives targeting the most disadvantaged residents. Read all about the aspirations of this important campaign on [our blog](#).

Give the gift of digital inclusion to someone in need.
